Morsel for Meditation

There is no way to peace along the way of safety. For peace must be dared, it is itself the great venture and can never be safe. Peace is the opposite of security. To demand guarantees is to want to protect oneself. Peace means giving oneself completely to God's commandment, wanting no security, but in faith and obedience laying the destiny of the nations in the hand of Almighty God, not trying to direct it for selfish purposes. Battles are won, not with weapons, but with God. They are won where the way leads to the cross.

Dietrich Bonhoeffer: Speech in Fano,
Denmark, August 1934

Bless you prison, bless you for being in my life. For there, lying upon the rotting prison straw, I came to realize that the object of life is not prosperity as we are made to believe, but the maturity of the human soul.
